

# Queueing System Proposal

Dear Sir/Madam,

I am pleased to present a proposal for a queue-handling software system designed to enhance the efficiency of queue management at \_\_\_\_\_.

Below are the details and associated costs:

#	Item	U. Price (LE)	Qty	SubTotal (LE)	Product Image
1	QCD-203 Display	1,600	12	19,200	
2	Mount	280	12	3,360	
3	Epson POS Printer	9,000	1	9,000	
4	Ceiling Speakers	750	4	3,000	
5	Audio Amplifier	3,000	1	3,000	
6	Software	8,000	1	8,000	-
7	User Account	500	12	6,000	-
8	Installation	4,000	1	4,000	-
9	Total			55,560	-

NB:

1. The academy is required to provide 12 devices for each teller and 1 device for services.
2. The database will be hosted locally on the academy's server.
3. Any maintenance or additional features will incur extra charges.
4. This proposal was issued on August 22, 2024.

I look forward to the opportunity to discuss this proposal further.

Best regards, **Lance Aziz**.
